Thanks to all who auditioned. The monologues were moving and very engaging. Your callback work was disciplined and exploratory. I appreciate everyone who shared their inner Rhinoceros.

Cast – please start watching videos about Rhinoceros (the plural can be Rhinoceri, Rhinoceroses or just Rhinoceros.) Pick up the current version of the script and become familiar with your role(s). Our first rehearsal will be Monday, September 25th at 7 PM. Come in rehearsal clothes that are comfortable and give you free range of motion. I can't wait to create this virtual world with all of you.
